### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: Claims 1-22 and 35-51 are allowable based upon the limitation, when taken in the context of the other limitations of the claims, of computing a time slice transition factor based upon a number of indicators whose state changed and a number of indicators whose state did not change during the first time slice; Claims 25-34 and 52-61 are allowable based upon the limitation, when taken in the context of the remainder of the claims, of determining a transition state for each indicator that represents whether and how the indicator changed during each time slice..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
